T Capital Partners Co., Ltd.

Announcement of the Investment in Fujitsu Semiconductor Memory Solution

T Capital Partners Co., Ltd. ("TCAP") would like to announce that its fund series, managed by TCAP, has invested in Fujitsu Semiconductor Memory Solution Limited ("FSM").

FSM designs, develops, and sells system memory LSIs and solutions. TCAP has vast experience working on investments in multiple manufacturing industries and large corporations' spin-out and carve-out of their business. From now on, TCAP aims to further enhance FSM's corporate value by building an independent business structure and steadily boosting its business strategy by taking advantage of FSM's strengths and characteristics and the operational knowledge gained from previous investments.
