

October 21, 2016
TOKIO MARINE CAPITAL CO., LTD.

First Closing of TMCAP2016 Investment Partnership Limited

We are pleased to announce the establishment of fifth mid-cap focused Japan buyout fund TMCAP2016 with 29.1 billion yen (USD 280 million) of total commitments to date.

Fund size will be up to 50 billion yen at final closing through continuous fundraising process with the focus on mainly institutional investors and pension funds.

Our team will continue to pursue investment opportunities for high-quality mid-cap Japanese companies by managing new fund TMCAP2016.
